

School Year Learning Calendar 2021 – 2022

This calendar has been created to help your family plan holidays, medical and dental appointments around your child's learning. The most important days – ones unmarked (excluding weekends) – are the days which students are expected to attend school. Staff professional activity days will occur on days that your child's Team is travelling or participating in Tournament play, as teachers are expected to be engaged in planning and assessment tasks on these dates.
